

To Whom It May Concern:

Our firm invited Karl to be the keynote speaker at our team meetings this Fall. It was truly a pleasure to have him speak with our group of employees. We received very positive feedback on his message from everyone who attended. He is a great storyteller and his presentation is motivating, inspiring, and entertaining. Karl's message resonates in sports, business and life in general. He is very engaging and relatable -- a pleasure to be around.

In addition to his public speaking, Karl attended dinner with us the night before. This gave everyone an opportunity to meet him, interact with him and ask questions. Karl is an excellent speaker, personable to talk with and truly an overall class act. I highly recommend Karl to any organization of any size.
