Dear Karl,

On behalf of the members of The Expedite Association of North America, we would like to express our appreciation for delivering a dynamite keynote presentation "Six Keys to Success in a Changing World" during our 10<sup>th</sup> Anniversary Annual Conference. Many of our attendees commented on how much they enjoyed your presentation. It was captivating, humorous, authentic and truly a source of inspiration to us all.

We were highly pleased with how you were able to tailor your presentation to speak to the needs, challenges and concerns of our industry. The autographed jersey also provided a special touch to our end of the meeting annual give-a-way. We were impressed with your "down to earth" demeanor which made it easy for our attendees to engage with you.

We also would like to thank you for attending our welcome reception. Everyone was delighted to meet with you especially with you taking the time to sign autographs, pose for photos and converse with our attendees. Your contribution to our conference has greatly enhanced the experience of our attendees. We would highly recommend you as a motivational speaker who is personable and professional.

We wish you the best in your future endeavors.

Sincerely,

Kyle Fernley  
Executive Director
