Littleton, CO 80123

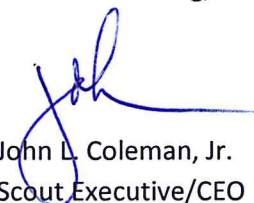

Dear Karl,

Thank you for speaking at our annual Larimer Leadership Breakfast, fundraising event. This year as we reorganized our fundraising efforts in Larimer County to raise funds for the Longs Peak Council, Boy Scouts of America, one of our top priorities was to have a dynamic speaker. You were able to fulfill that role and delivered an impressive presentation. You were able to share your personal challenges to the leaders of our community and they were able to relate. Of course, everyone enjoyed hearing about the "Orange Crush," and your experiences with the Denver Broncos.

We received positive feedback regarding your presentation. You are a dynamic motivational speaker whose enthusiasm and message created an atmosphere where the audience was eagerly listening and inspired from your presentation. We had over 325 professional business leaders from the Larimer County/Northern Colorado area in attendance. We really appreciate you sharing your experience in the Scouting program and highlighting leadership as an integral outcome of our program.

We highly recommend you as a motivational speaker to any organization. Thank you for your dynamic presentation which ultimately became a successful event in our community for the Longs Peak Council, Boy Scouts of America.

Yours In Scouting,

  
John L. Coleman, Jr.  
Scout Executive/CEO

  
Kelly A. Moll  
Development Director
