RE: Mission Hills Church, Breakfast of Champions

Karl,

On behalf of the Men's Ministry at Mission Hills Church I want to thank you for speaking at our Breakfast of Champions. The message that you brought to us was exactly what we were looking for our men to hear. The story of "God's Ball" is a story that all of us needed to hear, and the way you presented it was very professionally done. The men attending that morning had high praise for you and your message.

I also wanted to thank you for being available and so easy to work with. When I originally called to ask you to speak I expected to have a hard time reaching you and setting a date for you to come. As it turned out, you made it extremely easy to get ahold of and it was a pleasure working with you.

I know that I will be recommending you to other churches, businesses and men's groups that are looking for a speaker that can connect with their audience.

Sincerely,
Warren Hanson
