Dear Karl,

I would like to take this opportunity on behalf of DSTA to thank you for the outstanding presentation you gave to our attendees, at DSTA's 41<sup>st</sup> Annual Convention, held in Beaver Creek, CO this past weekend.

It wasn't just your presentation that made the event so memorable, but the time you took to meet our attendees. The one on one is a rare occurrence with speakers. We have had a number of presenters over the years, so I speak from experience. Many have been well known and came with very big price tags, but never have they engaged the group like you did.

We hope you enjoyed your time in Beaver Creek and meeting our group. We look forward to working with you again in the near future.

Again, thank you for a job well done. Best wishes for a Happy Holiday.

Sincerely,

Thomas A. Mantone, Jr.  
DSTA President
