Dear Karl,

Thank you so much for a terrific presentation on your "Six Keys to Success" at our February luncheon event! Not only was your program funny, inspirational, and insightful, you were so generous to help us with a terrific signed jersey drawing and to stick around for Orange Crush autograph signing afterwards.

Our audience really loved your presentation, so much so that a number of our evaluations featured a 5+ rating for "this month's guest speaker" – and the form only goes up to 5! You were definitely a big hit.

I would highly recommend other organizations to invite you to be their guest motivational speaker, and will be sure to pass this information along. The pairing of good entertaining stories with real-life, applicable success skills makes for a program accessible to just about any audience – corporate, non-profit, academic, or social.

Thank you again, and best wishes for the terrific Colorado spring and summer seasons coming up.

Sincerely,

Erin Hannan
