

International Oil Mill  
Superintendents  
Association

Association leaders,

Karl Mecklenburg was the luncheon speaker at our 119<sup>th</sup> Annual International Oil Mill Superintendents Association's Summer Convention. We couldn't have been happier with Mecklenburg's presentation. We are a mostly rural organization with convention attendees from many states who are oil mill superintendents or vendors. Families also attend our luncheon. It takes a special speaker to entertain and touch our diverse luncheon crowd. Karl is a great story teller with a message of teamwork and leadership that reaches audience members regardless of age, gender, or NFL team allegiance. I have heard lots of positive feedback from members including: "I've sat through a lot of motivational speeches before and got excited but didn't relate to what was said. Karl's presentation was different. His common sense approach to leadership and teamwork is something I can apply in my life and at my mill." "Mecklenburg was funny, entertaining, and gave us an important message."

Karl's speech was personalized for IOMSA. He came early, shook hands, signed autographs, and stayed after his presentation to eat lunch, sign books, and mingle.

I highly recommend Karl Mecklenburg as a general session speaker,

Doug Kennedy  
2013 President IOMSA
