To Whom It May Concern:

It is my pleasure to write this letter of recommendation for motivational speaker and former all-pro Denver Bronco Karl Mecklenburg. Mr. Mecklenburg delivered the keynote address at the Wyoming Association of County Officers Conference in September of 2018.

Attendees thought the presentation was entertaining and funny but also had a great motivational message that could be applied to local government leadership and beyond. Many in the crowd were long-time Broncos fans, so getting to hear from and meet a legendary Broncos player was a rare treat.

The stories that Mr. Mecklenburg shared about his life and his time playing football kept the crowd laughing and engaged. During some of his more serious anecdotes the room was awed and captivated. Some feedback I heard from an attendee and WACO board member: *"That was one of the best, if not the best, keynote speakers I've ever heard."* High praise, indeed.

Not only did Mr. Mecklenburg's address endear him to our attendees, but also the way he took time out of his schedule to come early and stay beyond his speaking engagement to interact on a personal level with people; visiting, shaking hands, and taking pictures. Karl is a class act, with much kindness and inspiration to share.

We are delighted to recommend Karl Mecklenburg as a keynote speaker, and we know that any group that brings Karl to their event will not be disappointed.

Sincerely,

Terry Wolf
